EMPLOYMENT HISTORY:

Current Occupation: **Health and Safety Director – Company Director**
August 1999 to present. **JNC Safety Services Limited**

I am the founder of JNC Safety Services. We act as Associates to major National Consultancies as well as carrying out all Health and Safety Functions for our own clients.

The consultancy clients include Housing Associations, District Councils, Consulting Engineers, Design Practices, Building and Civil Engineering Contractors and Factories.

Current Services offered include:

CDM ADVISOR SERVICES

SITE INSPECTIONS

DDA AUDITS

NOISE SURVEYS

HEALTH AND SAFETY DOCUMENTATION

METHOD STATEMENTS

SCAFFOLD INSPECTIONS

SAFETY TRAINING

WORKPLACE AUDITS

FIRE AUDITS

TOOL BOX TALKS

RISK/COSHH ASSESSMENTS

FACE FIT TESTS

Previous Experience:

1984 – 1999

Safety Consultant – Willis Risk Management, Abingdon.

Carried out safety inspections etc for clients in the South West of England; mainly working in the Construction Industry.

1976 – 1984

Safety Manager of Hotels in the Cornwall Area.

Responsible for the day to day running of hotels / restaurants in particular, being responsible for Health, Safety & Training.

1972 – 1976

Sir Alfred McAlpine and Sons Ltd, Wolverhampton

I was employed as a Safety Officer working on large Construction and Civil Engineering Contracts throughout Southern England.

1963 – 1972

Trethowan Builders Ltd, Constantine

I served an apprenticeship as a builder, and following my training I supervised various building contracts.

NEBOSH EXAMINER

I am Team Leader of the construction certificate examiners; I compile questions for the Construction certificate examinations and I also mark diploma papers.
